

PRESS RELEASE

FOR IMMEDIATE RELEASE:

12 OCTOBER 2015

**WALL-SMART PRESENTS NEW INVISIBLE FLUSH WALL MOUNTS FOR IPAD AIR AND IPAD MINI,
FIRST FLUSH WALL MOUNT FOR IPAD PRO
AND EXCITING WALL MOUNTS FOR THE MOST UP-TO-DATE TOUCH SCREENS AND KEYPADS.**

CEDIA EXPO, TX. US **Wall-Smart®** the leader in flush wall mounts is proud to present new and cutting edge wall mount for iPad Air® and iPad Mini with **no trim**. The completely invisible wall mounts combine functionality and amazing design. The invisible mounts are offered for both drywall and solid surfaces installations and include power charger. (POE).

Another exciting new solution for iPad is **Wall-Smart** flush wall mount for **iPad Pro** with a hidden RFID lock. **Wall-Smart** provides easy, yet secure, accessibility for daily use, assuring authorized only access.

Wall-Smart is also presenting many new flush wall mounts for the newest touch screens and keypads by the leading brands in the custom electronic industry, installed in drywall, wooden wall or baseboard. Each wall mount is customized for a specific device, taking into consideration audio requirements, thermal, peripherals and other engineering requirements.
